

Greetings Divers and Island Enthusiasts

Subject: For Sale: Diving Utopia and Island Getaway

This unique property is for sale, on the historic Saint George's Caye Belize. This rare find sits on a private island, located in an ideal location for diving and water enthusiasts. In addition, offering a very relaxing and peaceful retreat away from the tourists and hustle and bustle. It is a perfect location for diving enthusiasts or anyone who seeks *Island Living* or an *Island Getaway*.

The property includes:

- A house with 2 lots on the Lagoon
- Private Dock
- Reliable Internet
- Access to world class diving

Members of the Diving community should check out this rare property find! I am getting too old to enjoy it anymore, so it's time to pass my slice of paradise along to those who can fully enjoy all that it has to offer.

Location, Location, Location

World class diving literally sits out the back door. The Caye is centrally located and surrounded by a multitude of Diving adventures. There is great sport fishing and golf in the area as well. Warm Caribbean water, in an English-speaking country, **all at a very affordable price.**
